Weinakademiker get-together 2020

The ProWein Weinakademiker get-together has managed to become a central meeting point for Weinakademiker!

This year's meeting on Monday, 16 March 2020 will take place between 7 pm and 11 pm in a former artists' pub, a real feel-good meeting place in the Derendorf district, only 4 km from the trade fair:

TANNENBAUM | Tannenstraße 3 | 40476 Düsseldorf-Derendorf

This location is best reached by taxi, or by U 78 to the "Nordstrasse U" stop and then about 200 metres on foot. Change to line 707 at the "Sternstrasse" stop and get off at "Tannenstrasse". Coming from the city centre: Line 707 leaves from the main station and then also get off at "Tannenstrasse".

As the facilities are relatively spacious, there is room for a maximum of 50 Weinakademiker. If you would like to attend, please reserve your seat by pre-registration as soon as possible <http://www.genuss-werkstatt.net/prowein-gos-city/>

The cost per person is 45 € for a rustic meal, a maximum of 3 draught Altbeers from the private brewery Kürzer and mineral water. All other drinks must be paid for separately. Please be advised that pre-registration (and pre-payment) is required. You will receive an invoice upon payment.

The restaurant offers authentic Rhineland cuisine. Chef Andi serves small delicacies for the first appetite, followed by an extremely delicious chili con carne and a hearty salad.

We don't want to declare a special wine theme during the dinner this year, as there was already enough business talk at the fair. It should be a relaxed meeting with enjoyable wines. But if you like, you are welcome to bring some wine with you! Marie Dick is responsible for the "basic supply".

We are looking forward to new and old faces, warm encounters and stimulating conversations!
Marie Dick, Roy Blankenhorn, Christina Fischer
